

OLYMPIC DAY

CLAREMONT – (June 16, 2016)

Goltz Judo in Claremont California is pleased to announce that our upcoming **Sensei Gary's Birthday Tournament** to held this Saturday has been designated an Official **Olympic Day** Event with registration starting at 8:00 a.m. and competition beginning at 10:00 a.m.

Olympic Day is an international celebration for youth around the world to observe the Olympic values of excellence, friendship and respect. It is also a celebration of the Olympic Day pillars: move, learn and discover. Olympic Day is annually celebrated by thousands of people across the globe.

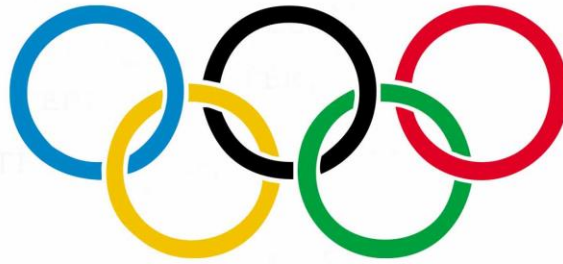

Commemorating the birth of the modern Olympic Games, The International Olympic Committee initiative spreads the Olympic ideals to every corner of the globe. In 2015 there were 1,820 designated events held in the United States allowing more than 630,000 participants to celebrate the Olympic movement.

To help celebrate this event the **Swedish Special Olympics Judo Team** that will be visiting **The Riverside Youth Judo Club Police Activities League** earlier in the week, will be entering an exhibition developmentally disabled division at our upcoming scrimmage. This is the same team that competed in last year's **Special Olympics** held at UCLA and took several medals.
